## Follow the Freemason DeMolay family tree

- Who did Daddy marry and what was her background?
- What was Daddy's and Mummy's occupation, politician, judiciary, government bureaucracy, media, academia, business, science, sport, entertainment?
- How many children did they have?
- What is/was the occupation of their children?
- What schools did those children attend?
- Then repeat generation to generation right back to colonial days.

## Hints and Tips

**Politicians - First Speeches** (*homage and merit*) NB all names mentioned in a politicians first speech indicate the homage – merit – and also signals to others in the ‘chamber’ where exactly they fit in the Freemason DeMolay family tree of filth.

**Judges – Swearing in Ceremony speeches** NB all names mentioned and look for which primary and schools were attended - indicate the homage – merit – and also signals to others in the ‘judicial court chamber’ where exactly they fit in the Freemason DeMolay family tree of filth.

**Wikipedia Reference Links** provided at the bottom of every page are very useful – use them.

**School Badges** – Pay close attention to the design of school badge. Is there anything Masonic?

Looking for the concept of three and the concept of four, the freemason square or compass, lions, lanterns, stars the list goes on and on refer to the works of Sean Hross for more learning on Freemason symbolism.

# Freemason DeMolay Schools

Once you know which school go to Wikipedia search for the school.

Scroll down to Notable Alumni List

- Read the history of the school,
- Eg Fort Street High School, Sydney NSW - [https://en.wikipedia.org/wiki/List\\_of\\_Fortians](https://en.wikipedia.org/wiki/List_of_Fortians)

As you read through the notable alumni lists it becomes **very obvious** there is an **unusually high number of "prominent graduates"** then you begin to see how the filthy Freemason web is spun generation to generation.

## Hints and Tips

As I began researching the history of Freemason DeMolay Schools across Australia, I noticed the same “associations” “affiliations” and “members of” was a common theme – networking grooming children across the states and country ... (stay silent and you go places kid)

**HOW TO IDENTIFYING A FREEMASON.DEMOLAY SCHOOL?**  
AUSTRALIA KNOW THIS ... ANY SCHOOL CLAIMING TO BE A MEMBER OF, OR HAVING AN AFFILIATION WITH ANY OF THE "ASSOCIATIONS" LISTED BELOW IS IN FACT A FREEMASON DEMOLAY SCHOOL

- ▶ ✳ Great Public Schools Association of Queensland (GPS)
- ▶ ✳ Athletic Association of the Great Public Schools of New South Wales (AAGPS)
- ▶ ✳ Associated Public Schools of Victoria (APS)
- ▶ ✳ Sports Association of Tasmanian Independent Schools (SARIS)
- ▶ ✳ Association of Independent Schools of South Australia (AISSA)
- ▶ ✳ The Public Schools Association Western Australia (PSA)
- ▶ ✳ The Association of Independent Schools Northern Territory (AISNT)

▶ ✳ Round Square School Association  
<https://www.roundsquare.org/>  
[https://en.m.wikipedia.org/wiki/Round\\_Square](https://en.m.wikipedia.org/wiki/Round_Square)

- ▶ ✳ International Boys' School Coalition (IBSC)
- ▶ ✳ Junior School Heads Association of Australia (JSHAA), name changed to
- ▶ ✳ Independent Primary School Heads of Australia (IPSHA)
- ▶ ✳ Australian Boarding Schools' Association (ABSA),
- ▶ ✳ Association of Independent Schools of Victoria (AISV),
- ▶ ✳ Headmasters' and Headmistresses' Conference
- ▶ ✳ G20 Schools
- ▶ ✳ Global Alliance of Leading-Edge Schools.

AND THIS ALSO includes any "sister or brother" schools with an affiliation to those school.

\*\*\*\*\*

KNOW THIS ... SOME GOVERNMENT SCHOOLS ARE IN FACT FREEMASON.DEMOLAY SCHOOLS ... AS AN EXAMPLE (of just one there are many across Australia) government schools involved in Freemason.DeMolay  
Sydney Boys High School is a government run school HOWEVER this school is a member of the ▶ ✳ Athletic Association of the Great Public Schools of NSW, so therefore is a Freemason.DeMolay school.

**Be aware Freemason DeMolay schools**

**can be both private and public schools.**

**School badges are a very useful tool for identifying filthy**

**Freemason schools as the masonic symbolism is on display!**

## Case Study Scott Morrison Prime Minister of Australia

- Review the list above – generation to generation politician, judiciary, government bureaucracy, media, academia, business, science, sport, entertainment – controlling everything you see, hear, and read.
- ALWAYS TAKE YOUR TIME WHEN REVIEWING THE ALUMNI LIST you are looking at the timelines – generational switch over – **FACT there has never been a democracy** - what we live under is horizontal rule of the Freemason DeMolay for centuries!

## Q. So what is the agenda here?

### A. Full society acceptance of incest breeding and child rape

The filthy Freemason DeMolay have known for centuries if you abuse on a child before puberty the wiring of the brain is damaged and then with programming may be rewired to achieve the desired outcome.

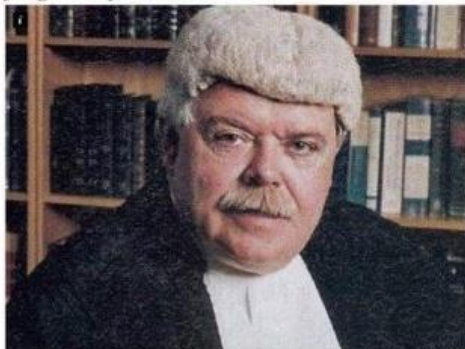

Senator Bill Heffernan told you in his speech 20<sup>th</sup> October 2015.

*“Judge Gary Neilson who is known in the trade as “Gorilla in Black Lace” - who was hearing a case against a man found guilty of raping siblings, he said from the bench to the court “he thought the law was out of date **that sex for siblings should now be legal and it should not be illegal for men to have sex with children.**”*

Judge Garry Neilson is suspended from hearing sex abuse cases he is still a judge of the NSW District Court. Read more at: <https://kangarocourtsofaustralia.com/2018/01/27/australias-paedophile-epidemic-being-covered-up-by-judges/>

**AUSTRALIAN TREATY SERIES**

**1939 No. 3 (electronic)**

(c) Commonwealth of Australia 1997

## **DECLARATION REGARDING THE TEACHING OF HISTORY (REVISION OF SCHOOL TEXTBOOKS)**

**THE UNDERSIGNED** Plenipotentiaries in the name of their respective Governments:

**DESIROUS** of strengthening and developing the good relations uniting them with other countries;

**CONVINCED** that those relations will be further strengthened if the younger generation in every country is given a wider knowledge of the history of other nations;

**REALISING** the necessity of obviating the dangers that may arise through the tendentious presentation of certain historical events in school textbooks;

**DECLARE** that they agree, each for its own part, upon the following principles:

1. It is desirable that the attention of the competent authorities in every country, and of authors of school textbooks, should be drawn to the expediency:

- (a) Of assigning as large a place as possible to the history of other nations;
- (b) Of giving prominence, in the teaching of world history, to facts calculated to bring about a realisation of the interdependence of nations.

2. It is desirable that every Government should endeavour to ascertain by what means, more especially in connection with the choice of school books, school children may be put on their guard against all such allegations and interpretations as might arouse unjust prejudices against other nations.

3. It is desirable that in every country a committee composed of members of the teaching profession, including history teachers, should be set up by the National Committee on Intellectual Co-operation, where such exists, in collaboration with other qualified bodies.

Written by Karen Brewer 2<sup>nd</sup> April 2021

The committees so constituted would be empowered to co-operate among themselves, and it would in any case be their function to study the questions contemplated in the present Declaration and to suggest solutions to the competent national authorities or organisations. They would, in particular, be empowered, should they think the revision of school textbooks necessary, to follow the procedure provided for in the resolution adopted on 29 July 1925 by the International Committee on Intellectual Co-operation on the proposal of M. Casares, the recommendations of which were confirmed and amplified in 1932 and 1933 by the International Committee on Intellectual Co-operation and approved by the Assembly of the League of Nations.

4. The present Declaration, the French and English texts of which are equally authentic, shall bear this day's date and shall be open for signature on behalf of any Member of the League of Nations or of any non-member State to which a draft of the said Declaration has been communicated.<sup>[1]</sup>

5. The present Declaration shall be registered by the Secretary-General of the League of Nations when it has received two signatures, on which date it shall come into force.<sup>[2]</sup>

6. The Secretary-General of the League of Nations shall notify the Members of the League of Nations and the non-member States mentioned in paragraph 4 of the signatures received.

**DONE** at Geneva on the second day of October, one thousand nine hundred and thirty-seven, in a single copy, which shall be deposited in the archives of the Secretariat of the League of Nations, and of which certified true copies shall be delivered to all the Members of the League of Nations and to the non-member States mentioned in paragraph 4.

[Signatures not reproduced here.]
