NOTICE OF PUBLIC SAFETY BYLAW

Abolishing and Outlawing COVID Restrictions, Mandatory Vaccinations and other Unlawful, Unhealthy and Unwarranted Measures in our Community

Issued by the Sovereign Peoples Assembly of Western Australia

LET IT BE KNOWN that the regulations in Australia that restrict free movement and association, impose mandatory quarantines, distancing, medical testing and vaccinations, and require the wearing of masks are unlawful, unwarranted and medically unsound measures that threaten and assault the fundamental liberties, health and security of the people of our community and violate the internationally recognized legal right of free and informed consent that governs all medical procedures. (Nuremberg Code, 1947) THE COMMONWEALTH OF AUSTRALIA CONSTITUTION ACT 1901, the highest law of the land and binding on all members of the Commonwealth of Australia, specifically forbids any attempts by Federal or State governments to forcefully impose any dental or medical procedures on members of the Commonwealth: *Section 51 (xxiiiA) the provision of maternity allowances, widows' pensions, child endowment, unemployment, pharmaceutical, sickness and hospital benefits, medical and dental services (but not so as to authorise any form of civil conscription), benefits to students and family allowances)*

THEREFORE, IT IS ORDERED by the Sovereign Peoples Assembly of Western Australia, as a voice and defender of the people of our community that no-one is obligated to consent to, or comply with, any of these regulations, regardless of what purported authority claimed by a person or individual claims to order or compel them, and the people are free to actively resist and disobey such directives or measures by any means necessary without fear of legal consequence. All businesses may safely take down, discontinue and erase any and all Covid "safety" notices, barriers, flyers, stickers, contact tracing registrations, including limits to the number of people entering their business premises at any one time. This Bylaw enables all businesses to freely arrange their premises in any way they wish without imposing any space limitations on how close tables and chairs may be placed, how many people may enter, or other restrictions ordered without a Constitutional Referendum.

IT IS FURTHER ORDERED by the Assembly that any individual, official, body corporate or their agent that requires or imposes any of these regulations on anyone in our community is taking part in a criminal conspiracy against the life, well-being and liberty of free men and women, and stands in violation of this Order. As one engaged in a crime, the offender is subject to penalties and imprisonment upon conviction by the Common Law Court of Sovereign Peoples Assembly of Western Australia.

This Order is issued on the twenty seventh day for February 2022 as a lawful Bylaw by the Sovereign Peoples Assembly of Western Australia, Common Law Assembly, and has the full effect and force of the Law.

All police authorities are expected and compelled by law to enforce this Bylaw or be charged with obstructing justice and democratic process.
